Daylight Saving Time

Daylight Saving time begins at 2 am on Sunday, March 12, 2017.

Don't forget to set your clocks one hour forward that morning.

Please accept my humble thanks for the beautiful plaque, flowers, and tribute recognition. It has been my sincere pleasure to serve multiple times on the vestry and offer up my building trade talents in the orchestration of on going maintenance and Capitol improvements to our church building over the last the last 56 years.

Through the coordinated efforts of past and present church members and thousands of volunteer hours we, as a church family, have continued to improve our place of worship not only in physical appearance, but in building safety and comfort. I doubt seriously there is another parish in our diocese or beyond who has the same bragging rights.

We are a parish although small in members, have an unbelievable human resource pool that over the years, have stepped up to the plate offering up management, accounting, legal, and gardening services. Of course, not to be overlooked is the incredible cooking talent that has kept us all well nourished over the last half century, the Altar Guild, LEM members, and especially the clergy who faithfully serve and have served the parish over the years. Thank you all for your support, friendship, and prayers.
